That the district will give Judge W. W. Rucker the largest majority he ever received for congress is the fact of every democratic voter and independent and republicans alike feel that such a testimonial is due the distinguished representative for his valuable service to the country as well as to his individual constituency and the fact that in all the time not a whisper of so much as a suspicion, that he has ever benefited from office further than the salary. Write his name on every ballot on which it is not printed.

The new classes start at the Chillicothe Business College Nov. 1st, but those wishing to remain at home for the election may enter later in the week or the following Monday.

Only one more week of Mackie & Harlan Big reduction sale.

Voters of Missouri.

The laboring men of this State are appealing to you to help save them from the clutches of the Insurance Companies and big corporations who are trying to force upon them the misnamed "Workmen's Compensation Law."

We ask you to scratch "YES" and vote "NO" on Amendment No. 14 as this law is so unjust and unfair to us.

The right of trial by jury has been the safeguard of free countries, and this law deprives a working man the right of trial by jury.

Insurance Companies want this law as it will put millions in their pockets that ought to go to the poor injured workman and his family. Help us kill this law by voting "NO" on Amendment No. 14.
